Colorado's True Colors

There are few places remaining that can be called a true Colorado ski town. Crested Butte is considered a hold-out, retaining its small town charm and the adventurous soul that it has always had. Whether you are visiting for the first time or returning, you immediately feel a difference that sets Crested Butte apart from other mountain locations.

With no traffic lights or chain stores and people who openly celebrate life every day, the genuine nature of the community and the pristine surroundings immediately capture you. Here, your time isn't just about a visit to ski an incredible mountain. It's about being away from your other world, finding adventure in an unspoiled setting surrounded by majestic peaks, wide valleys, and being connected to the culture and lifestyle that is Crested Butte.

First Tracks - Ride the Red Lady Express Lift (special early lift opening just for the FSC) and ski or snowboard to an extraordinary buffet breakfast. The menu will feature all the fixings. We will be joining the members of the management and aides for a tour of the mountain.

Guided Mountain Ski Tours

Learn your way around the greens and blues without getting lost. On the two hour tour, you will learn trails and locations of lifts from an experienced local guide. This is a great way to start off your visit to Crested Butte Mountain, and it is a good opportunity to meet some new friends with similar interests. So join in and you will receive a local's introduction to Crested Butte Mountain Resort.

In Town Group Dinner

Enjoy the old west charm of this vintage mining town. We will be dining at one of the local favourites of this town one evening.

Après Ski and Welcome Party

Get together with old and new friends to share drinks and appetizers before heading out to dinner.
